EXPERIENCE

BELL HELICOPTER, Roanoke, TX

2011

Summer Intern, Repair and Overhaul Center

- Worked with inbound logistics and export control to increase visibility and improve order processing time
- Supported military programs by collecting and providing recent shipments, orders, and repair turn-around data
- Performed data collection, analysis and presentation for performance reporting in collaboration with the Boeing/Bell V-22 program team
- Provided weekly report for Military Supply Support (MSS) outlining goal progress, monthly sales dollars and delinquent to contract for use by the executive leadership team
- Developed Repair and Overhaul Center repair turn-around time, and quality metrics
- Participated in 5S and visual management continuous improvement projects
- Developed courseware tracking solution to assist in isolating, tracking and creating new training requirements

FORT WORTH GASKET & SUPPLY, Haltom City, TX

2008-2010

Defense Contractor

Operations & Quality Manager

- Led proposal teams and developed new toolsets used in preparing successful bid responses to RFPs for the Department of Defense and prime contractors such as Boeing and Northrop Grumman.
- Responsible for negotiations with suppliers and buyers in the government and private sector
- Managed logistics and scheduled product movement from supplier and inventory to final customer
- Developed new military and non-military accounts such as Rock Island Arsenal and the US Department of Transportation resulting in 20% of revenue coming from new sources each year.
- Managed improvements in flow of parts and information to and from warehouse operations which led to greater efficiency and cleared an initial backlog by increasing productivity over 300% for a period of 3 months and led to sustained increases in productivity
- Responsible for developing and implementing processes for screening and cultivating potential and new suppliers.
- Improved on time delivery score by 38% which was instrumental in securing additional long term contracts with the Department of Defense
